Tutor

PARTICIPATION TO CONFERENCES AND SEMINARS

2019, November

ESPON Seminar “State of the European Territory”. Helsinki.

Invited speaker. Panel discussion – More connected Europe: “Urban rural connectivity in non-metropolitan regions”

2019, November

URBANPROMO XVI edizione, La città contemporanea: un gigante dai piedi di argilla. Torino
Paper (written with L. Staricco): “Promuovere il Transit Oriented Development in Italia: il ruolo della pianificazione di livello metropolitano”

2019, July

AESOP (Association of European Schools of Planning) Annual Congress “Planning for Transition”, Venice.

Presentation of the paper (written with G. Cotella and L. Staricco): “Enhancing urban-rural connectivity in non-metropolitan regions: a methodology in support to decision-making”.

Paper written J. Scudellari and L. Staricco (presented by J. Scudellari): “Steering disruption: a backcasting approach to govern the spatial impacts of the diffusion of automated vehicles in Turin”.

2019, June

XXII SIU (Società Italiana degli Urbanisti) conference “L’urbanistica italiana di fronte all’agenda 2030 per lo sviluppo sostenibile”, Turin

	Presentation of the paper (written with E.Bacci, G. Cotella and L. Staricco): "Quale accessibilità per le aree interne? Temi, sfide e prospettive per le politiche".
2018, July	AESOP (Association of European Schools of Planning) Annual Congress "Making Space for Hope", Göteborg. Presentation of the paper (written with L. Staricco): "Governing the spatial impacts of AVs: state of the art of the debate and methodological issues". Paper (written with N. Caruso, E. Pede e L. Staricco (presented by L. Staricco): "Barriers and challenges for adaptation to climate change: the case of planning practice in Italian west alps".
2018, May	International congress About a city - Places, Ideas and Rights for 2030 citizens, Fondazione Feltrinelli, Milan, scientific committee: Stefano Boeri, Mauro Magatti, Salvatore Settis. Invited speaker Roundtable "Mobilità urbana e sviluppo territoriale" [urban mobility and territorial development (coordinator prof. P. Pucci),
2017, July	AESOP (Association of European Schools of Planning) Annual Congress "Spaces of dialog for places of dignity", Lisbona. Presentation of the contribution (written with G. Melis, G. Rybarczyk e L. Staricco: "Moving towards happiness? understanding travel moods through twitter data in Turin".
2017, June	XXIII international conference "Living and Walking in Cities", Brescia. Presentation of the paper "When transport infrastructure shapes the public space: public transport stops as urban places".
2011, September	XXXII conferenza italiana di scienze regionali (AISRE) "Il ruolo delle città nella economia della conoscenza", Torino. Presentation of the paper , with G. Melis: "Sistemi spaziali di supporto alle decisioni per il recupero di aree dismesse". Presentation of the paper (written with E. Papa): "Pianificazione dell'accessibilità: teorie, strumenti e applicazioni".
2011, May	XIV Conferenza Nazionale della Società Italiana degli Urbanisti "Abitare l'Italia. Territori, economie, diseguaglianze", Torino. Presentation of the paper , with G. Melis: "Riqualificazione urbana ed esiti di salute: una lettura delle diseguaglianze a Torino".
2010, November	Enersolar + Expo Congress, Milan. Invited speaker . Title of the intervention: "Città in Movimento: relazioni e dipendenze tra i caratteri degli insediamenti e la domanda di mobilità"
2010, September	International conference AISRE – ASRDLF "Identità, qualità e competitività territoriale. Sviluppo economico e coesione dei territori alpini", Aosta. Presentation of the paper : "Teorie comportamentali per la pianificazione della mobilità".
2010, July	AESOP (Association of European Schools of Planning) Annual Congress "Space is Luxury", Helsinki. Presentation of the paper : "Land Use-Transport Studies: Immature Discipline or Multidisciplinary Field of Study?".
2009, July	AESOP (Association of European Schools of Planning) Annual Congress "Why can't the future be more like the past?", Liverpool. Presentation of the paper : "Teaching land use-transport interactions: toward a cross disciplinary education?".
2008, October	VIII Convegno nazionale della Rete Interdottorato in Pianificazione Urbana e Territoriale "Fare ricerca", Torino. Opening and closing speech of the congress (as coordinator of the local organising committee, with C. Murano). Coordinator of the session "Mobilità e infrastrutture".
2008, October	11th EURA conference, "Learning cities in a knowledge-based society", Milano.

	Presentation of the paper: "Correlation, causality or what? Findings and controversies on the relation between urban form and mobility styles".
2008, September	XXIX conferenza AISRE, "Conoscenza, sviluppo umano, territorio", Bari. Presentation of paper , written with E. Bello: "Pianificazione dei trasporti e pianificazione urbana: difficoltà di integrazione negli strumenti e nelle teorie".
2008, September	23rd international congress PECSRL - The Permanent European Conference for the Study of the Rural Landscape, "LANDSCAPES, IDENTITIES AND DEVELOPMENT", Lisbon. Presentation of the paper , with E. Salizzoni: "Wind farms: blemish on the landscape or energy landscapes?".
2008, April	XXVI congresso INU, "Il nuovo piano", Ancona. Presentation of the paper : "L'urbanistica nella relazione tra usi del suolo e mobilità".
2007, October	XXII international congress IPSAPA/IPSALEM, "Will, Freedom and Necessity in the Creation of the Landscape and Cultural Mosaic / Volontà, libertà e necessità nella creazione del mosaico paesistico-culturale", Università degli Studi di Udine, Cividale del Friuli. Presentation of the paper , with M. Puttilli: "I paesaggi energetici come paesaggi culturali: in cerca di nuove immagini della sostenibilità". Presentation inserted by the international scientific committee in the plenary session "tensioni e risoluzioni: conflitto evoluzione / tensions and resolutions: conflict and evolution".
2007, September	VII Convegno nazionale della Rete Interdottorato in Pianificazione Urbana e Territoriale "Fare ricerca", Palermo. Presentation of the paper : "Verso l'integrazione delle pianificazioni dei trasporti e degli usi del suolo". Coordinator of the session "Teorie e Saperi".
