

## CV Joerg Knieling

Joerg holds the Chair of Urban Planning and Regional Development at HafenCity University Hamburg. Graduated in urban, regional and environmental planning, and in political sciences, holds a Ph.D. in planning. Member of the German Academy for Spatial Research and Planning (ARL), and the advisory board of the German Ministry of Spatial Planning.

Research fields: sustainable urban and regional development, climate change, and related aspects of territorial governance and transition. Broad international research, recent publications on Soft Spaces (2015), Climate Change Governance (2013, 2016), and Planning Cultures (2009). Referee for DG Research, European Institute of Technology (EIT), and national research councils throughout Europe.
