Curriculum/approach description

Since September 2010, the School of Architecture has begun to teach the undergraduate courses in compliance with the new European Credit Transfer System (ECTS), also known as the Bologna Plan. Within the new studies program, the DUyOT offers 4 compulsory courses for all undergraduate students which represent 24 ECTS. Additionally, the DUyOT offers several optional undergraduate courses related to urban design and planning issues, which add up 24 ECTS to the student's curriculum. Nearly 1.800 students take every year our undergraduate courses.

Urban Planning Undergraduate Courses:
City and urbanism: 6 ECTS
City and environment: 6 ECTS
Urban project: 6 ECTS
Urban planning and territory: 6 ECTS
Other optional courses related to urban planning: 24 ECTS

Curriculum Doctoral Program

Curriculum/approach description

The Ph.D. Program has ample international recognition, especially in Latin American countries. Our Doctoral Program emphasises sustainable development issues related to urban and regional planning. Presently, the Program has around 70 doctoral students. Averages of 5 dissertations are read every year.
